

The Internal Quality Assurance Cell (IQAC) plays a pivotal role in enhancing and sustaining the quality of education in higher education institutions. Below is a tentative activity chart for the Academic Session 2025-26, structured around the seven criteria outlined by the National Assessment and Accreditation Council (NAAC)

****1. Curricular Aspects****

- ****July - August 2025****: Conduct a feedback session with stakeholders, including students, alumni, and employers, to gather insights on extra-curricular effectiveness.

****2. Teaching-Learning and Evaluation****

- ****September 2025****: Conduct an Orientation Program for the newly admitted students.

****3. Research, Innovations, and Extension****

- ****November 2025****: Launch community outreach programs in collaboration with local NSS and NCC to address societal issues.

****4. Infrastructure and Learning Resources****

- ****January 2026****: Upgrade library resources by adding the latest books, journals, and e-resources relevant to the courses offered.

- ****February 2026****: Conduct a workshop on Research Methodology which forms an important paper in almost all disciplines.

****5. Student Support and Progression****

- ****March 2026****: Organize career counseling sessions and campus placement drives in partnership with Career and Placement Cell.

- ****April 2026****: Conduct workshops on soft skills, communication, and personality development to prepare students for the job market.

****6. Governance, Leadership, and Management****

- ****May 2026****: Arrange training programs for administrative staff to improve efficiency and service quality.

- ****Review and update institutional policies to ensure transparency and accountability in governance.**

****7. Institutional Values and Best Practices****

- ****June 2026**

:

Organize a health camp for students/ faculty members/ fourth class employees of college.

*Document and share best practices adopted by the institution to foster a culture of continuous improvement.
